Missionary to Ecuador

09-09-2021

Hello from Ecuador! I hope this prayer letter finds you blessed in the Lord. I am glad to be back in Ecuador after a whirlwind visit to the United States. We were successful in getting school books for our children for the next couple of years and getting the COVID vaccines. We were also blessed to be able to report to several churches on the work here in Ecuador.

COVID restrictions have been loosened here in Ecuador so that has allowed Tammi and I to be able to reestablish our discipleship sessions with the brethren. Our Tuesdays, Thursdays, and Saturdays are now filled with Bible studies.

Our work to produce videos for the internet has been advancing. We now have our first funny video to attract people to our websites so that they can be directed to our online video Bible studies. I have placed the link for those who would like to view it below. We are also finishing up the editing of our last online Bible study in the Gospel Truth Series called the New Birth Experience. I am also working on the design of a new tract that will guide people to our online Bible studies. I hope to get the opportunity to pass out many soon.

Good news! Schools here in Ecuador will be going back to in-classroom teaching in January. We have finished the last edits to our "Walking with Jesus" text book and 6.500 will be printed soon so we can have them ready to distribute in the public schools. So far, we have had great success with the acceptance of the book. Please pray that this book will bring many students and their families to Christ!

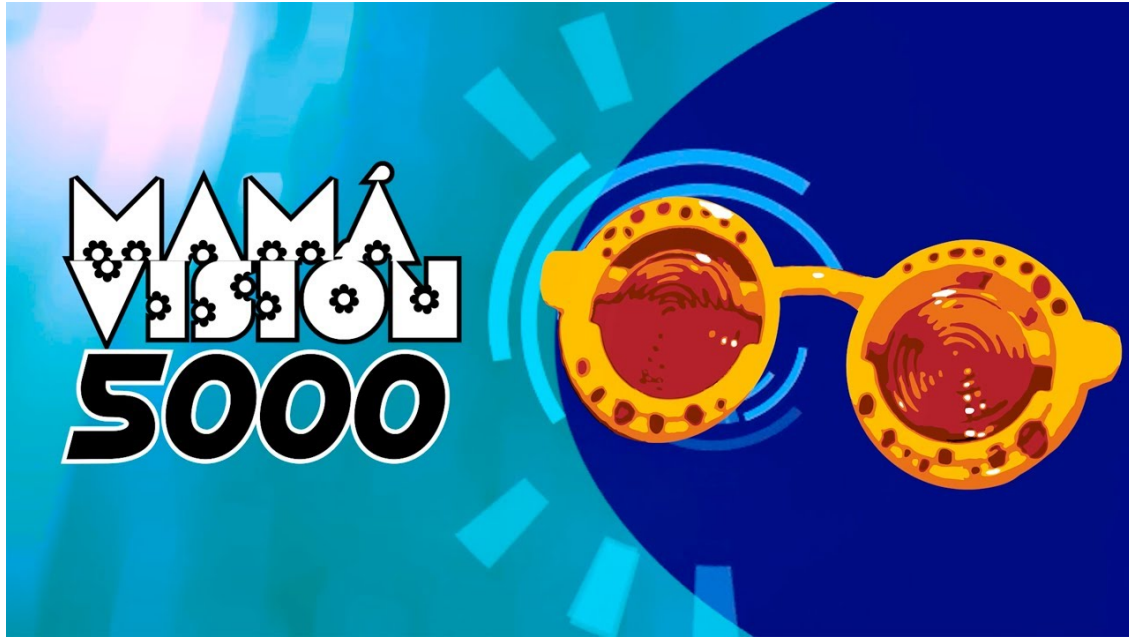

As always we appreciate your prayers and support! May God richly bless you for all you do for Him.

In Christ,
