Dear Brothers and Sisters In Christ,

October 2021

Thank you once again for your continued prayer and support. We pray that God richly blesses your interest and investment in our ministry. We have made it to our last document that is needed for us to return to Russia. My Passport is at the Russian embassy awaiting a visa as I write this. If all goes as planned we will be able to return to Russia in November. We are excited to be getting back to what God has called us to do. Pray that this will all go as planned.

As soon as I get my passport back we will be buying plane tickets. We will have to find the best route and airlines to fly to get us safely and timely back into Russia. Many new rules have been put into place because of covid and we will need to navigate these properly.

We are getting our family ready for its move back to Russia. Things that we have accumulated have to be gotten rid of and items that will be needed in Russia are being bought. We will be returning at the beginning of winter so it will be an adjustment from Texas weather to the cold of Russia. Someone once told me to always have a good quality coat and shoes. I have found this to be great advice. Pray for my family as we make this move. My younger children will have to learn Russian and get used to the new culture. Favorite toys and belongings will be left behind but new ones will be acquired when we get there.

Pray for the initial time that we will be getting set up. Local paperwork will have to be done and new items will need to be bought to set up our household. Ministry decisions will have to be finalized. It is shaping up to be a busy few months. Pray that all these transitional moments will not be overwhelming.

Pray for me that God's guiding hand will be with me to get a strong foundation laid to have a successful ministry. It can be daunting to make all the decisions that have to be made in such a small amount of time. Russia is in great need of the Gospel and we want to be used by Him so that His will be done there.

Thank you again for your faithful prayers and financial support.

Because of the cross,

The Furrow family
