November 19, 2022

It is of the Lord's mercies that we are not consumed, because His compassions fail not. They are new every morning: Great is Thy faithfulness. -Lamentations 3:22-23

Dear Pastor and Church:

It was an awesome 23rd year celebration of God's goodness and faithfulness when at least 40 professed to know Jesus Christ and 33 followed the Lord in baptism, and over 500 people came and worship. The Lord be glorified!

BUILDING CONSTRUCTION UPDATES

There was a delay, but we trust that God is all over it. All plans are ready, building permits on process anticipating to be released in 4-6 weeks, negotiations with the contractor is ongoing, waiting for the Lord to do a miracle. Help us pray for God's provision in this great endeavor. We currently have 280-300 attendance, we have outgrown the current building and cannot accommodate more. This is a problem, a good problem. Praise the Lord!

NEW MISSION CHURCH TO LAUNCH- SAN JOSE SICO MISSION

A new work will be launched on Nov. 19, 2022 in San Jose Sico, Batangas City headed by Preacher Robert Abal and wife Nikki with their 2 kids. They are a very young family who were called to minister in that area. Nikki grew up in the area. She can still recount the days when she would walk in the community barefoot, begging for some rice just to get by. They are so poor, and being lost, was much poorer. She got saved in our campus ministry when she was in college and met Robert in church as a Bible Institute student. Please pray for this new work.

SAVING GRACE SPONSORSHIP

What an opportunity to serve the Lord! The Saving Grace Foundation – Child Sponsorship Program is exponential in nature. It is in this sense because once the child is enrolled in the Christian School, we grow the school. When the student get saved and discipled, we grow the child, which will have a great effect on the family, and when he is added to the church, we grow the church and in His time, God may call that student to be a preacher or a missionary, then we can grow the work of God. With your help, you are touching the future of the child, the school, the church and the work of God around the globe.

With this, we seek sponsor- partners who have a great desire to see children and their families get out of their depressed spiritual, moral, economic and social conditions and be a blessing to a great number of people by educating their mind, body and soul. Our goal in the program is for the sponsored students to hear the gospel on a regular basis, grow in the knowledge of the Lord through discipleship program and receive an excellent academic Christian education. The students will stay in the Christian School for 4 years during their Junior High School, and would regularly attend Sunday morning services. We are praying to accept **30** students for School Year 2023-2024. **Would you sponsor a Grade 7 student for \$45/ month or \$540/year?** You may commit for a year, 2 years, 3 years or 4 years. Please let us know if you are willing. We will send you more details. savinggracef19@gmail.com
