Dear praying friends and supporting churches

November/December 2022

Family News: Throughout the year the Lord has given us many blessings, but also some hardships. We want to praise the Lord for all the things that He has done for us this year. Gabriela has finished her first semester in Bible college and is now home for the holidays. Please pray for her, she has been sick with pneumonia and the flu for the last several weeks and is still feeling very weak. All our children have been home for Christmas, including Daniela and her family. What a blessing

that was. In the beginning of December the stent in my wife's arm suddenly stopped working and she couldn't get dialysis that day. She had to go to the hospital the next day to receive another emergency surgery and have a new catheter in her chest. Praise the Lord everything went well. She will have to go again next month to get two more surgeries for a new stent, wait three months and than use it again. Please pray that she'll get all done and that God will provide for us so she can have it done and for her recovery.

Ministry News: Maria, my wife's colleague from dialysis has been coming to church faithfully. She has also brought her 6 year old grandson along. What a blessing for my wife to teach Sunday school again. Maria has also opened her home for us on Thursday afternoons to have a Bible study there. Her grown daughter (also Maria) has been attending every week and also Maria's widowed sister (Ana), who lives in a different town has attended twice. Please pray for both of them. They have heard a clear presentation of the Gospel and understand their need for getting saved. May they accept Christ soon. Ana has agreed to open her home for a Bible study as well, because she wants her grown children to hear the Word of God. Please pray for those families. They have been attending Pentecostal healing services before and are very confused. So we will have Bible studies in two different places and also our church services in our home. Please pray to

the Lord for fruit. On Christmas Eve we were able to pass out 200 gift baggies with candy and a Gospel tract and we also had a table set up at our gate with hot punch, cake and the Word of God for our neighbours and we were able to talk to them about the Lord and invite them to church. May God work in their hearts.

Prayer requests: My wife needs to have two more surgeries on her arm. For the new Bible studies we have started. Salvation of the souls here in Romania.

Thank you so much to everyone who has faithfully prayed and given for us during the last year. May the Lord greatly bless you. We couldn't have done the work without your support.
