*It is of the Lord's mercies that we are not consumed, because His compassions fail not. They are new every morning:
Great is Thy faithfulness. -Lamentations 3:22-23*

Dear Pastor and Church:

BAPTISM- JANUARY 2023

17 souls lined up to get baptized last January, 2023. They are products of the Christian School, mission churches from Lipa, Mabacong and the newly established work in San Jose Sico. We praise the Lord for the harvest.

NEW MISSION WORK - SAN JOSE SICO

Preacher Robert Abal with his wife Nikki and 2 kids were ordained to start a work in San Jose Sico 2 months ago. They are having an average of 30 young people and adults every Sunday and 90-100 kids every Saturday. He already baptized 22 and winning more souls in the area. It has been an outreach for a year before it was officially launched as a mission church. The area is Nikki's home place, and she still can remember the days when she would go barefoot from house to house to beg for rice so that she and her siblings would be able to eat, while her father lie in the house floor drunk, and her mother left them. She came back with Preacher Robert to win the people. They have a very good testimony in the place, people are being drawn in the Word and getting saved. Please pray for a bountiful harvest.

MISSIONARIES SENT OUT to MINDANAO

Two of our Bible Institute graduates were officially sent out to Mindanao, Preacher Bonie Adolfo who is reaching the tribe of Manobo in Bukidnon pastoring 2 established churches without pastors; and Preacher Jemar Cabillo who is pastoring a church without a pastor in the outskirts of the city, and is also starting a new work in Pagadian City proper. Please pray for a bountiful harvest and provision for their needs.

CHURCH BUILDING ON THE RISE

On January 15, 2023 we break grounds on the property beside the main highway. We were joined by Pastor friends, and the Congressman of our district. The Lord is magnified! Please pray for financial provision for the completion of the building. The

contractor promised that the building will be done before February 2024 ends. The LORD be EXALTED!
