Dear Brothers and Sisters in Christ,

May 2023

Thank you for your continued support of our ministry. We are rejoicing in the goodness of God. We thank and praise the Lord for you every day. God continues to give us grace according to his riches in glory.

Our kids program went extremely well. We had about 30 kids and 15 adults. Our goal was to help create friendships among those that attended. Our topic was sowing seeds. I used John 12:24 to talk about the meaning of the Resurrection. I also talked about sowing good seeds in our lives that will produce good fruit in the future. It was well received by the children. Our secondary goal was to have our adults participate as well. We had a competition for the men to see how many hits it took for them to drive a 6 inch nail into a block of wood. The women had a cucumber cutting contest. The fastest and best presentation was the goal. These were simple games but it was important to give us a chance to build the relationships in our church group.

We will be speaking at a church camp in the coming weeks. I am praying that God will use us among the kids and adults that attend this camp. There will be various topics according to the ages of the people that attend. Pray with us that God will use us to sow good seeds in the lives of the participants.

We continue to have our english ministry in Kazan. We have had several of our english speakers come to church with us. We have had many opportunities to share our faith with these people. I do want to ask special prayers for our english Bible study. We have had a situation arise that I am having to deal with. I am needing wisdom on how to best deal with it.

Luba wants to thank all those that sent cards and well wishes on her birthday.

Thank you for your faithfulness to our Savior. We pray for you as we serve here in Russia.
