Proverbs 16:9 A man's heart deviseth his way: but the Lord directeth his steps.

February - March 2020

Brethren,

Greetings from our home church in Edmond, Oklahoma! We have no doubt that this pandemic did not take our God by surprise even as it has us. We trust that God is always at work in our lives. The night we arrived home from our last meeting; our inverter in our travel trailer went out along with the electricity. We found out that the electric that runs to our trailer needed to be redone. Thankfully, the Lord provided, and we were able to get everything back in working order. In the meanwhile, our church generously allowed us to "camp out" in the youth building.

We are thankful for all the churches we have been in since our last update. We were in Colorado, Texas, Pennsylvania, Ohio, and Indiana. We have driven thousands of miles and God has kept us safe and healthy through it all. We even had plans to make it to Illinois for some meetings but we were forced to cancel due to the pandemic that has arisen. That has no doubt affected most of your services as well.

Two more churches have taken us on for support and a couple more increased their support; moving us one step closer to Brazil. We are currently at 70% of our goal. We are still praying and looking for God to move us to Brazil by the end of the year. Pandemics can't stop God's plans even if it can throw ours out the window. We will continue to trust in God's provision and timing.

I don't know how long things will last like this but we hope to take advantage of this time at home. I have been doing our Wednesday live feeds and will continue to do so. We also still have some things to go through and get rid of that are in storage. Our children have been working hard in school. We are trying to finish up in the next couple of weeks so we will be finished with the year when it is time to hit the road again. I of course will continue working on my portuguese.

Thank you so much for your prayers and for your faithful support!
