May 2020

Dear Brethren,

I pray this letter finds you virus free and full of grace, mercy and peace from our Lord Jesus Christ! This world is reeling without Hope. We have a Perfect Hope, The LORD OF HOST PSALM 46!

In my last letter we put out a plea for help to pay Bro. Christopher Miklahook's phone bill. It may sound like an odd request, but it is our only mode of communication and their data runs out quickly and our work in Bible study shuts down.

You have prayed for us and there was a response! Daniel and Lisa Sowards from Miamisburg, Ohio sent \$200, Joel and Madonna Allen in Medina, Ohio sent \$10 and Creekwood Baptist Church in Beaumont, Texas sent \$120 for Bro. Miklahook's phone bill. We paid the bill of \$204! The Miklahook's were thankful and we resumed our studies!

We are thankful for the love offerings sent to us for the work! Bro. Al and Virgie McElhaney sent \$1,000 and Bro. Al Pflueger sent \$500 to help us with the Bible studies. We are so thankful!

Travel is still shut down between villages. Ravn Airlines went bankrupt. Bering Air still flies cargo. We are praying that flying will open soon. I need to go to Savoonga for the work of God, Lord willing in June. There is no word at this point when flying will be open! God will open that door at the right time!

Bro Miklahook is coming on at a very fast pace! He is witnessing and preaching to many. Many try to trip him up to drink or smoke weed but he says no and tells them of Jesus.

The Miklahook's live off the land for subsistence: seals, walrus and whale. God has done a marvelous work in this man's life. Please continue to pray for us all.

Thank you for your love, support and prayers!

Bro. Gary Hampton

Hello, my name is Christopher Miklahook, and I am from Savoonga, Alaska. I am very thankful that God saved my life on November 19, 2019 at 9:00 a.m. God changed my life forever that day. I repented and believed He died for us and rose on the third day, having faith in Him, trusting my life in His hands, trusting He will lead me and guide me in my footsteps. I was lost in sin, smoking weed every day, arguing with my mom, swearing, drinking alcohol when I felt like it, making home brew when I could, getting with girls whenever I could and smoking dab. But that day I turned my life to God, in repentance and believing Him

that He died and rose on the third day, trusting Him forever with my life. He changed me; He helped me quit all those bad things. All summer I prayed, praying for answers, and one day my brother told me a friend of ours, a preacher I met in Nome, Alaska was coming out to Savoonga to share the Gospel, and he did. Before he left, he asked me if I had been saved, and I didn't know what he meant. He told me that I need to think back on my life to the day I had been saved and I would never forget that moment. So, I did. I thought hard and long, all day and night. Then one morning I was reading some Bible studies and I saw myself lost in sin, and I knew I had no chance of going to heaven. I wanted to turn to God and wanted to go to heaven. I cried and told God I didn't want to live like this anymore. I wanted to live by His ways, His words, the Gospel, and I wanted to go to heaven and I believed that He came to teach us how to live by His words, the Gospel, and that He died for us, and rose on the third day. At that moment, something happened. I felt different. I didn't want to live how I used to anymore. Amazing. I am thankful to this day. I want to cry sometimes because I am very thankful to Him and what He did for me, and for sending Gary Hampton to come share the Gospel with me. I am still thankful that God is teaching me through Gary, and I want to learn everything about God's Word, and join Gary in his ministry, and to share the gospel with everyone here in Savoonga. I pray people will come listen and learn what I have learned. Thanks to everyone that keeps us in their prayers, and to those that helped pay for our GCI service so that Gary and I can continue to do Bible studies together. Thanks to all and prayers to all as well. I love everyone with all my heart, through Jesus Christ our Savior, amen.

May God bless everyone.

Love,  
Christopher Miklahook
