MISSIONARIES TO CROATIA

## “DEFINTELY DIFFERENT”

I believe that this phrase sums up “life” after COVID-19 and yet it is very much an inadequate statement as well. MOST everything has changed. We’re all adjusting to new versions of our “normal” lives: being thrust into homeschooling if you weren’t already, dealing with wide-scale unemployment, and “going to church” exclusively online. So much has changed because of the pandemic. But from one day to the next, our God is still the same faithful God and God’s people are still the loving, familiar community of God’s people. Most of the month of April was spent in the house. The “lockdown” here in Croatia was considerably more than what played out in the US. At one point were limited to groups of no more than 3 and no travel from city to city without a pass issued by the government.

I am SO THANKFUL for the promises from God’s word Malachi 3:6 For I am the Lord, I change not; and Hebrews 13:8 Jesus Christ the same yesterday, and to day, and for ever. Regardless of how much things may change here The Lord God Almighty changes not!

## GOD IS STILL IN THE SAVING BUSINESS

In spite of things being SO different and our ministry and services being entirely online, God is still at work. In the month of April one of our ladies had the opportunity to lead a life-long friend to Christ over the telephone. They had been talking about the virus and earthquakes and he said something about “What’s next the AntiChrist?” That opened the door and about an hour later Christ walked into his life.

Frana saw her brother Janko make a profession of faith in Christ after many questions and much conversation. She also was able to talk with her friend Antonio who has visited our services several times and he told her that he had trusted Christ as well. AMEN. The Lord God Almighty changes not!

Thanks for Praying!
