**Brethren,**

Greetings from our home church in Edmond, Oklahoma! We have been home the last two months due to the pandemic. While here, I have been teaching for our Wednesday live feeds and have been able to preach several Sundays for which I am grateful. The social distancing and changes in our day to day lives have given us and our church opportunities to explore new ways to be a blessing to others.

We have begun rescheduling canceled meetings and looking ahead to make some new ones. God has encouraged us greatly by leading another church to take us on for support. It is an uncertain time; and we know that it takes much faith for churches to step out and add missionaries while trusting the Lord to take care of them and the other missionaries they already have. We also know this is true regardless of a pandemic or economic downturn or any instability in our country. God called us to go to Brazil and so we will continue to trust in God's provision and timing. We continue praying to finish deputation by the end of the year.

We were able to finish out our school year by the end of April. This was a huge blessing to us as we plan to begin our next school year at the beginning of August. We would like to have extra time in our school calendar for when we move to Brazil. We are switching to the Abeka curriculum this year and we are praying it will be a good transition for Elizabeth and Samuel.

I am thankful to have had extra time to focus on Portuguese the last couple of months. Please continue your prayers in that area. We are heading to Alaska in a few weeks. We are doing our best to plan but travel can still be a little difficult. We appreciate your prayers for a safe trip and that we will be able to make all our meetings scheduled.

**Thank you so much for your prayers and for your faithful support!**
